GMP Board of Directors Reorganizes

Carl Holm, former GMP President, recently resigned due to a conflict of interest he felt may be perceived following his acceptance of the Administrative Assistant position with the Town of Cedaredge. He will be working on the Town's Master Plan that includes recreation and Pickleball/Tennis courts. In accordance with the GMP By Laws (available on the GMP Members' section of the website) the Board held a special meeting on March 29 to elect new officers. Carl will remain on the board as a Member at Large and Carolyn Payne will take over as President and Linda Lichtendahl as Secretary. At the Annual Meeting in December nominations will be open for positions on the Board of Directors.
